Conflict of Interest Disclosure for Authors

Please disclose all relationships/activities/interests listed below that are related to the content of your manuscript. “Related” means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, please err on the side of disclosure.

The author’s relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to chiropractic equipment manufacture, you should declare all relationships with manufacturers of chiropractic equipment, even if such equipment is not specifically mentioned in the manuscript.
